Established in 2008, Scon GroupÂ is your trusted NDIS registered provider of house renovations in Melbourne. Our team includes skilled builders and interior designers, and together, we help clients achieve their dream homes. From humble beginnings, weâ??ve become a reputable name in the industry. In fact, our team of over 35 experienced staff works hard to maintain our reputation for

excellence.

Moreover, we offer a variety of home renovation services, including kitchen and bathroom renovations. Whether you're looking for custom home renovations in Melbourne or general residential updates, we're here to help. As an NDIS registered provider, we are passionate about creating accessible spaces that support the daily needs of individuals with disabilities. hhh

Our team is passionate, friendly, and committed to providing personalised service and advice every step of the way. Above all, our goal is to ensure the utmost customer satisfaction, and nothing brings us more joy than seeing our clients happy. At Scon Group, we believe that our success is only achieved when our clients are truly happy.

Backed by years of experience and all the necessary building licenses, you can rely on us to make your dream into a reality while taking your budget and preferences into account.
